EXTERIOR

CELEBRATING THE TIMELESS ROMANCE OF THE SEDAN

The all-new ŠKODA SLAVIA is a masterpiece derived from ŠKODA's rich legacy of building some of the world's most loved sedans. With an impeccable balance of space, grace and functionality, this beautiful piece of automotive excellence brings you an unmatched driving experience. Come, fall in love.

A. Front Grill

The all-new ŠKODA SLAVIA acs the first impression with its stunning ŠKODA Hexagonal Grille with Chrome Surround. The chrome highlights on the front bumper perfectly complement the mesmerizing ŠKODA Crystalline LED Headlamps with L-Shaped DRLs. The bold design of the front view stands out even from a distance.

B. Crystalline Led Headlamps

The state-of-the-art headlamps are engineered to combine exquisite design with high performance functionality. Even in rough weather conditions, the dependable fog lights significantly enhance visibility to help you power through, while the sleek DRLs add to the car's dynamic road presence.

C. Crystalline Split Led Tail Lamps

Derived from traditional Czech design, the tail lamps are powered by striking LED lights. The sharp lines and ultra-modern design of the tail lamps put the all-new ŠKODA SLAVIA stylishly ahead of others in the segment.

D. Sun Roof

Let in a little fresh air as you take a spin in your all-new ŠKODA SLAVIA. The Electric Sunroof with Anti-Pinch Technology makes every journey memorable.

INTERIOR

INTERIOR DESIGN

The all-new ŠKODA SLAVIA sets new benchmarks in comfort. Its Stone Beige & Black Luxe Interiors redefine dual-tone automotive aesthetics. The 20.32cm ŠKODA Virtual Cockpit, chrome elements, and ambient lighting add futuristic touches to the cabin.

A. Design and Functionality
Get controls for essentials like radio, music and more at your fingertips so that you can drive without taking your eyes off the road. The intuitively designed 2-spoke multi-functional steering wheel with chrome scrollers reinvents your drives.

B. All Weather Comfort
The ventilated black leather seats with perforated beige design in the front are a testament to ŠKODA's famed craftsmanship. The spacious interior also provides enough room for every passenger to sit back and experience automotive excellence.

C. Ambient Lighting
The all-new ŠKODA SLAVIA's ambient lighting elevates the design of the interior while giving you the perfect lighting for every journey.

D. Chrome Bezel Air Vents
Inspired by the metallic ring around the dial of a watch, the side air conditioning vents are adorned with magnificent chrome trims that stand out on the dashboard.

COMFORT & CONVENIENCE

25.4 cm Infotainment System

The 25.4 cm ŠKODA infotainment system is equipped with touch and gesture control with which you can navigate, make calls, browse the menu and drive without a worry.

KESY

The Keyless Entry Start & Stop System enables convenient locking and unlocking of the car.

Wireless Charging

Charge your phone wirelessly while driving (only on selected phones).

Cruise Control

In addition to maintaining the preselected speed, cruise control enables you to increase or reduce speed without using pedals.

Two USB-C Sockets in the rear

Passengers in the rear seats can easily charge their devices with two USB-C sockets.

Adjustable Rear A/C Vents The adjustable rear A/C vents ensure comfort for the rear passengers in the car.

Cooled Glovebox

Enjoy hassle-free storage space for perishables in the dashboard.

Luggage Capacity

A sedan owner should never settle when it comes to boot space. The all-new ŠKODA SLAVIA raises its bar with its best-in-segment storage space. With the rear seats upright, enjoy XL boot space with 521 litres capacity. You can also fold down the rear seats to open up a massive 1050 litres boot space.

PERFORMANCE & TRANSMISSION

20.32cm Škoda Virtual Cockpit

The virtual display behind the steering wheel features information like speed, distance travelled, service interval, average fuel consumption, and much more.

2-Spoke Multi-functional Steering Wheel with Chrome Scrollers

Get controls for essentials like radio, music and more at your fingertips so that you can drive without taking your eyes off the road. The intuitively designed 2-spoke multi-functional steering wheel with chrome scrollers reinvents your drives.

Rear View Camera With Static Guidelines

Reverse and park safely with a rear camera.

1.0 TSI Engine

The Award-winning 1.0 TSI engine, with 85 kW power and 178 Nm torque, is powerful yet efficient.

Manual Transmission

The Car is offered 6-Speed Manual Transmission.

Automatic Transmission

The Car is offered 6-Speed Automatic Transmission.

SAFETY & TECHNOLOGY

6-Airbag System

In extreme situations, where the driver cannot actively influence the outcome, the car's passive elements take over – like airbags which is equipped with front driver and passenger airbags, 2-side airbags, and curtain airbags in case of a collision.

Multi-Collision Brake

In case of an accident, the Multi-Collision Brake starts braking to prevent further uncontrolled movement of the vehicle, thus reducing the likelihood of further collisions.

Hill Hold Control

HHC allows a safe start uphill without using the parking brake.

Electronic Stability Control along with ABS

ESC helps to maintain directional stability and tyre traction during understeer and oversteer while ABS helps to maintain control of the vehicle during emergency braking.
